# REPORTS, &c.

According to previous announcement, the Conference assembled at St. Ann's Chapel, December 26th, 1852, at half-past Ten o'clock. The Meeting was called to order by Elder Josiah Holmes; opened by singing the first hymn, and prayer from Elder Henry Savage; after which it was moved that Elder Henry Savage, preside over the Conference assembled; and John Pimm and G. H. Goulder, act as Clerks.

The President then arose, and expressed his pleasure in meeting the Saints in Conference, and said, we owe to God a debt of never-ending gratitude for past and present blessings. We have met this morning under propitious circumstances and for very important purposes, viz., to transact business in the name of the Lord, for the furtherance of his cause and the well-being of his people in this part of his vineyard; and may unity and order be maintained amongst us while we are together this morning, and the Spirit of God rest upon us all, even so, Amen.

We will now hear from the presidents of branches for their representations, as follows:—

*Nottingham.*—Elder Josiah Holmes rose and said, Beloved President, Brethren, and Sisters, at the present we number eleven Elders, eight Priests, seven Teachers, four Deacons, six Removed, five Received, five Cut off, twenty-one Baptized, one Dead, total in all two hundred and forty Members. I can say with pleasure, since I have presided over the Nottingham Branch, the Brethren have upheld me by their faith and prayers, unity has been in our midst; I have striven to maintain the order of the Church, and laboured hard for the well-being of this branch; there has been twenty-one baptized into this branch since last Conference, and I believe there is a good feeling amongst the Saints: it is also the duty of the Saints to pray for the Officers, that the Spirit of God may rest powerfully upon them, and may we all continue faithful unto the end, through Jesus Christ, Amen.

*New Radford.*—Elder John Pimm arose and said, Beloved President, Brethren, and Sisters, we number at present in our branch, five Elders, five Priests, six Teachers, three Deacons, two Removed, seven Received, three Baptized, total including Officers, eighty-eight. I can with pleasure represent the New Radford Branch that

it is in good standing, unity and order is maintained amongst us, we receive encouragement to go on from time to time; lately there has been many persons to hear us, and we hope to receive many of the honest in heart; as yet my prayer is, that the blessing of God may rest upon us, and we continue faithful to the end, Amen.

*Hyson Green.*—Elder W. Archer rose and said, We number in our Branch at present, three Elders, five Priests, six Teachers, two Deacons, one Removed, one Cut Off, five Baptized, total number including Officers seventy Members. Beloved President, Brethren, and all, I can represent the Hyson Green Branch in good standing, the work is prosperous for the future; many fresh faces come to hear us, and with the blessing of God much good will be done; the Spirit of God is richly amongst us, unity prevails in our midst, we have no contentions; and my prayer is, that we all may keep ourselves humble and faithful and to be gathered to the Mountains of Ephraim, in the name of the Lord I ask it, Amen.

*Calverton.*—Elder Thomas Lester rose and said, Beloved President, Brethren and Sisters, at present we number in our Branch, three Elders, four Priests, two Teachers, one Deacon, three Removed, one Received, one Cut Off, total including Officers fifty-seven; respecting our Branch, I can say that unity is in our midst, the gift and blessings are manifest from time to time, there is an inquiry for the truth amongst the people. We have but one thing to complain of, and that is, we have no room to meet in, many persons would come if we had a room; my prayer is that we may get one and the Saints keep faithful, then the work will roll on; I ask it in the name of Jesus Christ, Amen.

*Arnold.*—Elder Enoch Stones rose and said, Beloved President, Brethren, and Sisters, at present we number as Officers, six Elders, three Priests, three Teachers, two Deacons, three Cut Off, four Baptized, total including Officers eighty-nine; I can say the Saints, what I know of them, are in good standing; the presidents of the district say, they are in first rate condition; there has been a good deal of preaching in Arnold, and I don't think there will be many more come out of that place. I can say with pleasure, the council is unanimous and every thing is carried into effect: the Spirit of God rests mightily upon us from time to time, and my prayer is, that we all may keep humble and faithful to the end, Amen.

*Mansfield.*—Elder Thomas Humphreys rose and said, Beloved President, Brethren, and Sisters, at present we number as Officers, three Elders, seven Priests, three Teachers, two Deacons, three Removed, four Received, three Cut Off, one Baptized, one Dead, total ncluding Officers eighty-eight. As it respects my Branch, out of the number represented some are of bad standing, as there

are some drones amongst us. We have had Mr. Hepburn amongst us, and I can assure you he has done us good, for he has been the means of getting the dead wood off the Branch; unity is amongst them that are right; the Sisters have done a deal of good by distributing the tracts, they have done what good they could, they are good Saints; my prayer is, that we all may remain faithful and be gathered to the land of Zion, even so, Amen.

*Sutton.*—Thomas Hemingway, Elder James Stone's *pro-tem*, arose and said, beloved President, Brethren, and Sisters, Sutton Branch represents four Elders, seven Priests, three Teachers, two Deacons, one Removed, five Received, five Baptized, total in all fifty-nine members. As it regards the Sutton Branch the prospects are good; this last quarter many persons have been to hear; the Saints generally have been obedient and done good and in good standing; and my prayer is, that they may keep so to the end through Jesus Christ, even so, Amen.

*Eastwood.*—Elder Alfred Vickers rose and said, The Branch I preside over represents at present, four Elders, three Priests, three Teachers, three Deacons, one Received, one Cut Off, total in number forty-eight. Beloved President, Brethren, and Sisters, I must say as the long days, I must speak of them as I find them; there has been a few in bad standing—I have laboured hard amongst them; the Saints have had to contend with things of an unpleasant nature; I have rooted out evils as well as I could, we have opened a room at Kimberly; although we have baptized none this last quarter, we anticipate baptizing some this next quarter; our councils are unanimous, I feel with the Saints who are in good standing to do the will of our Heavenly Father, and may his blessing rest upon us, Amen.

*Heanor,*—Elder Thomas Wardle rose and said, At present we represent four Elders, three Priests, four Teachers, one Deacon, one Removed, one Baptized, total forty-four. Beloved President, Brethren, and all, the Saints generally are in good standing, our meetings are well attended; I believe there will be more of the honest come out of this place yet; my prayer is that the Saints may keep their standing, and may the peace and blessing of God rest upon them, even so, Amen.

*New Brinsley.*—Elder Aaron Nelson rose and said, We number at present, three Elders, four Priests, three Teachers, three Deacons, one Removed, one Received, two Cut Off, three Baptized, total in all thirty-seven. Beloved President and Brethren, I feel it a pleasure to be with you this morning; as it regards the state of the Branch, I cannot speak so favourable about the unity as I have done; the greatest part of the Saints are in good standing; we have

provided means for the unity of the Brethren and Sisters: as it respects the future there is no likelihood of much good being done, but we can cultivate the Saints by the help of God; my prayer is, that we may have the Spirit of God to help us, even so, Amen.

*Mansfield Woodhouse.*—Elder Joseph Stapleton rose and said, At present we represent three Elders, two Priests, four Teachers one Deacon, six Removed, one Cut Off, one Baptized, total in all forty-one. Beloved President, Brethren, and Sisters, I feel happy to represent my Branch in good standing and ready to carry out the work of the Lord; this last quarter unity has prevailed in our midst, there is a good feeling amongst the people of Mansfield Woodhouse and hopes to gather out more of the honest in heart; some of the Brethren go to Warsop, but I believe it is one of the seats of the devil, we don't mind this, we are determined to go on in spite of all opposition; I believe there will yet be a good work done in Warsop, I pray that the Saints will uphold me and the "priesthood" with their faith and prayers and add such to the Church as shall be eternally saved, even so, Amen.

*Hucknall.*—Elder John Astill rose and said, At present we number two Elders, two Priests, one Teacher, one Deacon, one Removed, one Cut Off, three Baptized, total in all twenty-nine. Beloved President, Brethren, and Sisters, I have pleasure in representing the Hucknall Branch; we have had things to contend with of an evil nature, but the Saints are in good standing and the evils are dying away; the work of the Lord is rolling on nicely, the meetings are well attended and rejoice from time to time with one spirit of unity, by the help of God we hope to do good; I therefore beg an interest in your faith and prayers for our welfare, and eventually gather to the mountain of Ephraim, Amen.

*Swanwick.*—Elder George Cutts rose and said, At present we number three Elders, three Priests, two Teachers, one Deacon, one Removed, two Received, two Baptized, total in all thirty-two Beloved President and Brethren, I have pleasure to represent the Branch in good standing, we are all united and persevering, and hope to get all we can; may the blessing of our heavenly Father rest upon us, even so, Amen.

*Beeston.*—Elder Charles Soar arose and said, At present we represent, two Elders, one Teacher, one Deacon, three Cut Off, two Baptized, total in all eight. Beloved President, Brethren, and Sisters, I can say we have had a deal of opposition, partly from those without and from those within; we have done all we can to promote unity in our midst: I believe any person who is opposed to council will never do any good, and still believe there will be a good

work done in that place if persons go about it in a proper manner; my desire is that the Saints should prosper in Beeston, and be gathered home at last, through Jesus Christ, Amen.

*Bulwell.*—Elder Dean Alvey arose and said, At present we represent three Elders, one Priest, one Teacher, one Received, one Cut Off, total thirteen. Beloved President, Brethren, and Sisters, I can say the Saints are in good standing, and with the help of God we hope to go on; I ask it in the name of Jesus Christ, even so Amen.

*Ironville.*—Elder Singleton rose and said, I have been labouring about Ironville, Somercotes, Brinsley, and Portland Row; recently I have succeeded in baptizing five at Ironville, and am determined to persevere in the work assigned me from time to time; and may the blessing of God rest upon me and the few saints I am labouring amongst, even so, Amen.

Prayer from Elder James Stones.

Elder Henry Savage arose, and moved that Ironville be organized into a Branch. Carried.

Elder Henry Savage arose and said, he should like to hear from Elders Bryan and Smallwood how they had been going on this last quarter, where they had been appointed to labour.

Elder Bryan (Joshua) rose and said, I have been engaged by visiting the Branches appointed me: I went on an occasional visit to New Brinsley, I found a good spirit there, and the Saints rejoicing; also, I heard that Brother Singleton was opening fresh places. I also have visited Hyson Green, and found the Saints rejoicing in spirit; upholding their president and the gifts were made manifest. Also I have been at New Radford; I saw a singular instance manifest there, a tongue was given; I prayed for the interpretation and received it. Also I have been to Nottingham Branch, and found the Saints united and in a good state, it caused my mind to rejoice. I also believe the reports that have been given of the branches, are true; and I also am at liberty to go and do what is assigned me by Elder Savage, in the name of Jesus Christ, Amen.

President Elder Henry Savage, then requested Brother William Smallwood to give a statement of his labours.

Elder William Smallwood arose and said, Last Conference I was appointed to labour at Dobb Park; I have distributed the tracts well at the homes of the people, also preached the gospel to the people. I had a house to preach in but it is taken from me now, but I intend to go on in obeying the will of the Lord with his blessing, even so, Amen.

After hearing from Elder Nelson about Portland Row and other places, Elder Henry Savage arose, and moved that Portland Row be organized into a Branch, and Bagthorp be annexed to it; also, Brother Cutts be appointed to preside over the same Portland Branch, and try to get up a Branch at Bagthorp. Carried.

Elder Henry Savage moved, that Elder Charles Astile be appointed to preside over Beeston Branch, and Elder Thomas Barrett go to assist him. Carried.

Elder Henry Savage also moved, that Elder Rawson of Summercotes Branch, be appointed to preside over the said Branch in place of Elder George Cutts. Carried.

Elder Henry Savage arose, and requested Elder Pimm to read

over the receipts of the Temple and Emigration through the past year. After this had been done, Elder Savage arose, and addressed the Saints that they were better off now than they were before he came to preside: he also shewed them what they had done and what they could do by unity, courage, and obedience. The Saints had met the demands of the office at Liverpool, and could meet other demands likewise; he also read over the different receipts he had received for himself, his wife, and family through the past year; he also stated he should like to have every thing printed, viz., the money matters, so that the Saints might see how the money had been spent and received.

After the remarks by Elder Savage, it was moved by Elder John Astil of Hyson Green, that Elder John Pimm and G. H. Goulder be appointed to audit Elder Savage's books, on Tuesday night, at half-past Seven o'clock, December 28, 1852

Elder James Stones arose and moved, that we uphold President Brigham Young; and Herber C. Kimball and Willard Richards as his Counsellors.

2 That we uphold the twelve Apostles, as God's special witness to all nations.

3 That we uphold and sustain Elder S. W. Richards, as the President of the British Isles; and Levi Richards as his Counsellor, and we listen to their instruction in all things.

4. That we acknowledge the labours of Elder Henry Savage, by obedience to his counsel from time to time, and uphold and sustain him as the President of the Nottinghamshire Conference. Carried.

Elder Josiah Holmes arose and moved, that we take up a collection to defray the Conference expenses this afternoon. Carried.

Elder James Stones arose and moved, that a collection be taken up every quarter to defray the old Sheffield debt, by every Branch, on the first Sunday in February, 1853. Carried.

It was moved and carried, that overplus money that was over Brother Milner's debt, be appropriated towards defraying the Sheffield debt.

Moved that this Conference be adjourned until half-past Six o'clock in the evening. Carried.

Conference met pursuant to adjournment at half-past Six o'clock. Opened by singing the 294th hymn, and prayer from Elder John Pimm.

Elder Savage stated to the Clerks that no more business had to be attended to; he then arose, and addressed the audience that the

business was finished they had to attend to, and was pleased to see such order and peace the Saints had maintained throughout the day. We have several Brethren here whom they would like to hear no doubt, as the Evening Meeting would be devoted to speaking.

Elder Savage then called upon Elder James Stones, to address the audience as he thought proper and was led.

Elder James Stones arose and said, I am glad to meet the Saints on such an occasion as they had this day met upon. I believe the Spirit of God has presided over our transactions this day, and as Elder Savage had given him the privilege to speak on what he thought proper, I shall do so, and that would be emigration; for I presume you all want to emigrate. No doubt you all have thought yourselves very poor, and especially last year at this time; I feel confident that there is not one Saint poorer at this time after contributing his share to the demands of the past year, than if he had not have done so. I can assure you beloved Saints, a poor spirit is worse than a poor purse; look what we had accomplished, and what we might do if we would, unity is strength. There was not such a people on the earth, as effect what the Saints could. I am quite aware the Saints talk about emigrating often, and what remains to be done is just setting ourselves at work to gather out of Babylon, and leave old Babylon in the lurch. I mean those that have the means, or perhaps the means may be taken away if those Saints do not embrace the opportunity.

Elder Savage then arose, and requested Elder Enoch Stones to address the Saints as he felt led, and as long as he thought proper.

Elder Enoch Stones arose and said, he felt a pleasure in being amongst the people of God. I can recollect the time when I used to gratify my feeling as much as my person, that was before I was a Saint. I can bear my testimony that my Brother Stones has spoken the truth, and that the Lord had blessed him in his labours and would do so to others if they were faithful. After making several remarks, Elder Stones sat down.

Elder Savage then arose, and addressed the Saints upon the propriety of being obedient to Council and going on as they have done. He also thanked the Saints for what they have done for him. He admonished the Saints to take the *Stars*, and try for those things that would tend to elevate them in the kingdom of God.

After making a few appropriate remarks, he expressed his pleasure in the conduct of the Saints that day, and concluded with his blessing upon them; praying the Spirit and blessing of God would rest upon them, in the name of Jesus Christ, Amen.

The Conference was then adjourned until the last Sunday in March, 1853. The Meeting broke up at Nine o'clock.

On Monday, December 27th, the Saints held a social tea party at St Ann's Chapel.
